Principal Report: Thank you for all of your support. Students seem to be acclimating well to school. First club Friday is this Friday. Almost 700 kids signed up to participate.

Performing arts program continues to grow to pre-pandemic levels.

School improvement goals: as a school division we have done a great job of saying when a student is absent. Reminder to send in a note to let them know before-hand so you can get work and get absences excused.

Teachers focusing on CE in the subjects of this helps us learn how we want them to grow.

Building relationships

Small group instruction

Yearbook Theme this year has been chosen and will be released in May.

Rep report:

Mrs. McCormick: Teachers are readers for recertification points - thank you for paying those.

Donut party tomorrow for summer reading - thank you for purchasing.

New Business:

Picture Company: Can we look around for other options for photogs? Hayes we do search for other options during contract renewal and chose to go with Candid this year. Will look at other options in the future during renewal. Candid had better options for backgrounds/resolution that worked with all ethnicities and skin tones.
